PRAYER BURDEN

God has promised that only the things which cannot be shaken shall remain when He shakes the earth and heaven – *"..... but now He has promised, saying, "Yet once more I shake not only the earth, but also heaven." Now this, "Yet once more," indicates the removal of those things that are being shaken, as of things that are made, that the things which cannot be shaken may remain"* (Hebrews 12:26-27). In this respect, Kenya has been shaken to the core, mainly following the 'Gen Z' protests. It is important then that the arm of the wicked be broken to pave way for the reign of the righteous - *"For the scepter of wickedness shall not rest On the land allotted to the righteous, Lest the righteous reach out their hands to iniquity"* (Psalms 125:3). The resulting changes across the seven mountains [Governance, Economy, Education, Church, Family, Media and Art/Entertainment/Culture] should mark the end of the reign of the wicked and usher in righteous authorities based on the Kingdom of God – *"Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear. For our God is a consuming fire"* (Hebrews 12:28-29)

There are frantic efforts to resist the ongoing shaking to get rid of wicked systems from our society, nonetheless two key sceptres of wickedness must be broken together with the enabling arm of corruption;

i. The reign of the monetary powers that control our economy for their selfish gain must be curtailed. *"Let the political, economic and spiritual leaders of Kenya proclaim that Kenya is for Christ; yes, Kenya is for me, and not for strangers. Kenya is currently governed by a strange economic power, for all its wealth goes to strangers. Those strangers govern Kenya economically by exercising an evil spiritual, power, emanating from the spirit of Babylon and spirit of the beast. They control everything, yet from behind the scenes"* (Prophet Maged, 2007).

ii. We are further warned about the agenda of the sons of the bondwoman to craftily take over Kenya for whatever reason. *"Beware of the strangers amidst you, and from the stranger and false prophet who is coming these days, bringing to you the law/code (Sharia) of the gentiles and not my law, in order to govern maliciously and wilily"* (Prophet Maged, 2007).
